

Dear Bucking Bull Enthusiast,

Please accept this letter as your invitation to attend the Midwest and Beyond Bull and Bucking Stock Sale. We have some exciting opportunities planned for this years spring event. The dates will be April 14 and 15. We are including a futurity for '05 model bulls and '06 heifers. The fees will be \$400 bulls and \$300 for the heifers. This will also include the incentive bulls sold at last fall's sale.

We are asking that your consignments are turned in no later than April 1st. We are offering a reduced catalogue fee for consignments postmarked before March 10, 2007. This years sale will be the same \$50 catalogue fee, and 7% commission. .

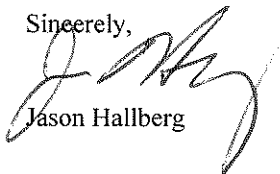

We will be having a banquet on Friday the 13th for all of our consignors and bidders. At this banquet we will present the awards from last year's sale, and also have some sort of presentation of the futurity bulls. Please RSVP on your consignment forms to let us know if you will be attending the banquet.

Our approximate schedule will be to be ready to receive cattle from 8 a.m. Friday morning, up until the banquet at 8:00 p.m. Friday evening. On Saturday: 6:30- 9:00 a.m. Cattle check in, 10:00 a.m. heifer futurity, 12:00 p.m. bull futurity, 2:30-5:00 Cattle check in, and 6:30 open bull sale. Sunday April 15, at 11:00 is when the female/breeding stock sale will be held. I have tried to set aside check in times to suit everyone's needs. If you could let me know approximately what time your cattle will be arriving that would be appreciated.

We already have a growing list of consignors. Early consignors include: Lonely Heart Ranch, German Rodeo Bulls, Brad Fudge, St. Peter Rodeo, Rocking R Rodeo, Meyeran's Bucking Bulls, JV Bull Company, and Circle C Rodeo. I have had many calls about the futurity and look for that to be a success also.

If you are in the market to buy or sell bucking stock in the upper Midwest, please do not miss this opportunity. If you have any questions do not hesitate to call me at 515-460-0246.

Sincerely,

Jason Hallberg
